TAKING GOD AT HIS WORD
Sermons: 19 April—12 July 2009

Acts of the Apostles We will have a second series from Acts in the mornings after Easter (having looked at chapters 1-14 last year). Now we launch on Paul's missionary activity. Be challenged, excited, and drawn in to God's great global gospel strategy.

Colossians Paul will preach a series on the letter to the Colossians in the 6pm service beginning on Easter Day. This letter has a wonderful emphasis on the fullness and supremacy of Christ, a great message in our pluralist world. However, as always, the apostle Paul anchors lofty theology in down to earth ethics. As a result, what will you be wearing?

Beginnings From late June, Wayne will preach a three week series in the mornings on Genesis 1-3, the opening, provocative chapters of the Bible.

Happy Birthday John Calvin John Calvin was one of the greatest ever Bible preachers and scholars. July 10 is his 500th birthday. Subsequent Calvinists argued for five key theological statements as a legacy of Calvin. They form the titles of a sermon series Jonathan will preach in the evenings and go under the acronym of TULIP.
