

HOLY TRINITY DONCASTER—BUILDING FUND UPDATE

The building and refurbishment is finally underway and there will be an increasing ‘builder presence’ on the site for the next five months. We trust the disruption to existing church programs will be minimal and short-lived. Our sincere thanks go to all who have helped in the tidying up and re-location work to date.

Gifts and Pledges: The total pledged to date is now \$523,000 and it is expected that \$400,000 of this will be received before the building is complete. This is a wonderful demonstration of the generosity, through God’s provision, of our congregations. It is not too late to make a pledge or a one-off gift to the Building Fund—there are a number of members who have not yet returned their pledge forms and, with tax time approaching, now is a good time to make a commitment. Remember, **all gifts to the Fund are now tax-deductible.**

Building Fund banking details: There has been an alteration to the method of transfer for Net Banking. Please note that the following details should be used:

- BSB: 703-122, Account number: 05004711
- Account Name: HTD School Building Fund
- Reference: Donor’s name. (A note to the Fund Treasurer would also help)
- Any cheques or cash should be placed in an envelope marked ‘Building Fund’ and put in the offering plate.

Please note that there is **no change** to banking arrangements on previously submitted pledge forms, where credit or debit card details have been provided.

Building costs: The costs to completion are estimated to be \$1.185m, which is close to the estimates given to the congregations some months ago. Provided there are no unforeseen shocks in the building process, and given the strong inflow of gifts, there is a possibility that we will not have to borrow the full \$850,000 from the Anglican Development Fund. Praise the Lord!

Members of the Building committee to contact on questions you may have on building issues: Hong Young, Ross Walker or myself. For pledge forms or banking details, please see Bill Glover or Andrew Beattie (or drop the tear off form below in the collection or in an envelope at the office).
